Measurements:

- card base 4 1/4" X 11" scored at 5 1/2"
- White front and inside 3 1/2" X 4 3/4"
- Pretty Peacock layer 3 5/8" X 4 7/8", scrap for die-cut greeting

Directions:

1. Place 3-5 baby wipes in a stack on a flat surface like a paper plate. Add multiple drops of one color ink all over this in areas approximately 1/2-1" wide, saturating it. Add a second and third color filling in the baby wipe completely. The colored area needs to be as wide as the stamp your using.
2. Ink the stamp in this saturated pad by tapping it in multiple times. Stamp on your White CS.
3. Repeat for the inside layer as shown.
4. Adhere the front layer to the card stock layer; add to the card base.
5. On the die-cut label, heat emboss your greeting in White embossing powder. Tie twine around the edge and into a bow; add to the card front with Stampin' Dimensionals.
6. Adhere the inside layer. Add gems as desired.
