## Measurements:

- Mossy Meadow card base 8 1/2" X 5 1/2" score/fold at 4 1/4" plus scrap for leaf die-cut
- Basic Beige 4" X 5 1/4" cut in half on the diagonal (save other half for another card) plus a 6" square for die-cutting the inked leaves and a scrap for leaf die-cut
- striped DSP 1/2" X 7"
- White scrap for greeting; inside is 3 3/4" X 5"

## Directions:

1. Texture the Beige card stock with the Changing Leaves embossing folder. Lightly sponge Mossy Meadow ink over the leaves.
2. Adhere to a strip of DSP on the left edge; add to the card and trim off excess.
3. Ink the embossing folder by blending Mossy Meadow ink onto the label side of the folder focusing on the leaves. Add the leaves die onto this same side. Add the Beige card stock onto the top of it all. Yes; the die goes inside the folder.
4. Close the folder and run it through with the hinge end first. This will cut the inked leaves out like magic!
5. You can fussy cut the other leaves from this piece
6. Die-cut another double leaf from Mossy Meadow CS.
7. Ink the greeting in Mossy Meadow ink and stamp on the White oval die-cut.
8. Add the greeting and leaves as shown.
9. Color the gems with Mossy Meadow Blends marker.
10. Finish with a double twine bow. Stamp the inside as desired.
