## Measurements:

- Basic Beige card base 4 1/4" X 11" score/fold at 5 1/2"
- Basic Beige textured layer 4" X 5 1/4"
- scraps for die-cuts

## Directions:

1. Lay the 4" X 5 1/4" layer over the card base. With the card open cut through both layers with the circle die. Save the smooth die-cut.
2. Texture the single layer with an embossing folder. Use a blending brush to add color lightly to the texture. Adhere to the card front.
3. Match up the inside edges with the window and make a mark on the top or bottom.
4. Use blending brushes and ink to add a sunset of colors to the smooth die-cut. I used Daffodil Delight on the bottom, Peach Pie in the middle and Calypso Coral to the top.
5. Stamp the trees on the left side and the greeting using Old Olive ink. Adhere inside the window of the card front.
6. Sponge color to the leaves (Old Olive & Cajun Craze). Add the die-cuts around the circle with liquid glue.
7. Tie a twine bow and add with a glue dot.
8. Finish with colored gems.
