Measurements:

- thin white card board 6 1/4" X 12" - score at 1 1/2", 3", 7 3/4", 9 1/4" & 10 3/4"
- thin white card board 6 1/4" X 7" - score at 4 1/2" & 5 3/4"
- thin white card board 9 1/2" X 3" score at 1 1/2" lengthwise
- Designer paper for front 9 1/4" X 6 1/4"
- designer paper strip 9 1/4" X 6 1/4"

Directions:

1. Fold the largest white board on the score lines so you have two mountains - one on the left edge and one for the middle. Insert into the box on the left side.
2. Fold the second (listed above) white board on the score lines so you have one mountain fold on the far right. Insert into the box on the right side.
3. You can adhere these two pieces together. Make an angled cut at the center mountain at an angle where the box closes (in the front).
4. You can also adhere the mountains together and add adhesive to secure it to the box.
5. Fold the long white board in half. Adhere the folds together. Add to the back of the box to finish it off. Now it's ready to add cards on the right and envelopes on the left
6. Finish the front of the box as shown or change it up.
