## Measurements:

- White card base 8 1/2" X 5 1/2" score/fold at 4 1/4"
- textured die-cut layer 3 3/4" X 5"
- Navy or Blackberry Bliss layer 4" X 5 1/4" plus tag die-cut
- Vellum circle die-cut or 1 3/4" strip
- White die-cut label

## Directions:

1. Die-cut the lighter cardstock layer with the largest Perennial Postage dies. Texture with the Layered Floral 3D embossing folder.
2. Use a blending brush and dark ink to match your larger layer and blend over the textured flowers. Texture another smaller piece of card stock if you're adding extra flowers near your tag. Add color to those as well. Fussy cut or punch them out.
3. Die-cut the tag and the foliage die-cuts from the center of the largest dark card stock layer.
4. Die-cut your vellum layer and adhere it to the textured floral layer (add adhesive under where your tag will go).
5. Ink your greeting and stamp on the White label.
6. Thread a fold of ribbon through the front of your tag and pull the ends through the loop. Tighten the ends.
7. Add your white stamped greeting with Dimensionals. Adhere to the card along with the foliage die-cut.
8. Finish with extra flowers and silver pearls.
9. Texture the flap of your envelope and add ink lightly with a blending brush.
