## Measurements:

- card base 5 1/2" X 8 1/2" scored at 4 1/4"
- DSP 6" X 3" torn down the center at an angle, plus DSP for greeting
- Berry Burst 6" X 1 1/2" torn down the center lengthwise

## Directions:

1. Tear the DSP down the center lengthwise at an angle. Tear the second edge again so the White core shows.
2. Tear the layering card stock/DSP also. Adhere these together adjusting the tears so they match closely.
3. Adhere both layers to the card base as shown, at an angle, leaving enough room for your greeting in the center. Trim off excess from the edges.
4. Heat emboss the greeting on your DSP or card stock of choice. Fussy cut or die-cut. Adhere with Stampin' Dimensionals.
5. Stamp additional greeting below if needed.
6. Add gems as desired.
