## Measurements:

- Timid Tiger card base 5 1/2" X 8 1/2" score at 4 1/4"
- Black 5 1/4" X 4" & greeting die-cut
- Designer Paper 5" X 3 3/4"
- White inside 4 3/4" X 3 1/2"

## Directions:

1. Adhere the designer paper to the large Black layer. Wrap a length of ribbon around the bottom and adhere the ends to the back. Wrap a short piece around the left side and tie into a knot. Adhere to the card base.
2. Swipe the embossing buddy over the large Black die-cut. Ink the greeting in Versamark ink and stamp. Heat emboss with White embossing powder.
3. Use Blends markers to color onto the White embossed letters. Adhere to the card front, leaving room to add a die-cut drink onto the corner. I added this with Dimensionals and added a fussy cut cherry also.
4. Stamp the glasses, ice cubes, umbrella and greeting on the inside layer. Color as you'd like. Adhere.
