Measurements:

- Black card base 4 1/4" X 11" score/fold at 5 1/2"
- White 1/2" X 5 1/2" strip plus punched layer & inside 3 1/2" X 4 3/4"
- DSP 3" X 5 1/2"
- Foil 4" X 3/4"

Directions:

1. Place the foil specialty paper on a large piece of scrap paper. Tap &/or rub your Memento Black ink pad directly over it. Wipe off excess ink with a tissue or paper towel. Let dry. If it's not black enough repeat. *you may want to wear gloves You can use other classic ink for this technique but treat your ink pad gently and use a tapping motion if your pad is foam. Stazon ink will not work here; it has to be a water-based ink.
2. Add the White strip to the left edge of the inked foil layer. Adhere to the card base.
3. Cut or punch a banner end in the silver or gold foil. Add across the lower half of your card.
4. Stamp the greeting onto your White punched piece using Black Memento ink. Add with Stampin' Dimensionals.
5. Finish with a twine bow or gems as desired.
6. Add an extra 'inked foil' layer to the inside White layer if desired.
