## Measurements:

- Balmy Blue card base 8 1/2" X 5 1/2" score at 2 1/8" & 4 1/4"
- Balmy Blue front layer 4 1/4" X 5 1/2"
- White inside 3 1/2" X 4 3/4"
- Thoughtful Journey DSP 4" X 5 1/4"

## Directions:

1. If using a Stamparatus to stamp the large tree image on the DSP you may want to leave the DSP cut to 6" X 5 1/4". Then you have somewhere to add the magnets to hold it in place. If not, stamp the image onto your DSP using Secret Sea ink. Adhere to the Balmy Blue layer. Add that to the front flap of the card base.
2. Stamp the More Messages large image onto White CS and die-cut the many greetings out with the coordinating die. Choose your greeting and adhere to another die-cut made from Balmy Blue and the same large die. Add to the card front with mini Stampin' Dimensionals.
3. Add a Balmy Blue twine bow with a mini glue dot. Add a few birds or dragonflies embellishments to the sky.
4. Stamp the inside White with a tree image from the Peaceful Pier stamp set. Color if desired and adhere.
