Measurements:

- Card base 4 1/4" X 11" score/fold at 5 1/2"
- White square 3", four 3/4" squares & a 5/8" strip for greeting
- Colored square 3 1/4"
- Designer Paper 1 3/4" X 5 1/2" plus 4 strips 1/2" X 6"

Directions:

1. Draw a light pencil line on the White square from corner to corner, on the diagonal.
2. Add adhesive to two corners beside each other. Add two strips to one corner, each touching the pencil line. Add the other strips to the other corner, weaving them between the first two strips.
3. Once they are woven you can add adhesive to all four strips so they are secured in each corner. Trim off excess designer paper making sure all edges are smooth
4. Add the 4 white squares to each corner, over the designer paper strips.
5. Texture this piece with a stitched or detailed looking embossing folder. Again, trim any excess card stock so all edges are smooth and even. Add to the colored square.
6. Cut a banner end in the Designer Paper strip. Adhere to the card base. Add the layered quilt block.
7. Stamp the greeting on the White strip; trim as needed. Use a punch or banner punch to add a decorative end. Add with Stampin' Dimensionals.
8. Stamp the inside as desired.
9. Finish with a few gems/dots.
