## Measurements:

- card base is approximately 5 1/2" (2nd largest die) score slightly less than 2 3/4"
- half circle from designer paper & inside layer is the 3rd largest circle, cut 2 3/8" high
- smallest circle is 2 7/8", Pebbled Path circle is 3 1/8"

## Directions:

1. Die-cut the card base; score in half and fold. Cut the designer paper 'half circle' for the front. Color if needed and adhere.
2. To color, I used Wink of Stella and ink from my coordinating ink pad. You can use the ink on the inside lid of your ink pad or tap your ink pad onto a clear block or other surface. Pick up a bit of ink with the Wink of Stella to color; repeat as needed.
3. Cut two smaller circles for the upper half. Adhere together and add to the card, making sure the total height of the card is no more than 4 1/4" so it fits in an A2 size envelope.
4. Fussy cut a set of roses from the designer paper; color if desired.
5. Add Seal tape runner to the back and press a loop of ribbon onto it at an angle. Add to the circles with Stampin' Dimensionals.
6. Ink your greeting in Pebbled Path ink and stamp on your greeting die-cut/label. Add to the card with Stampin' Dimensionals.
7. Finish with a few silver pearls.
8. Stamp the inside as desired. Or add a small set of fussy cut roses.
