## Measurements:

- Gray Granite card stock - 8" X 4 1/4" score at 1 1/4", 2 1/2", 5 1/2" & 6 3/4", bottom strip is 5 1/2" X 2 1/4"
- Black layers - 4 at 1" X 4", center is 2 7/8" X 4", front strip is 5 1/4" X 1 1/8"
- Designer paper - 4 strips at 7/8" X 3 7/8", center is 2 3/4" X 3 7/8"
- scraps for die-cuts and greeting

## Directions:

1. Adhere the designer paper strips to each Black strip and the front horizontal strip.
2. Adhere to the card base as shown, adding the vertical layers before adding the front horizontal strip.
3. Die-cut the tools from Poppy Parade, Gray Granite & Silver paper. You can also cut some from the coordinating designer paper.
4. Stamp the greeting first; add to the card front.
5. Add the tools as desired. You can also add some to the back of the card. Using the pegboard designer paper on the back would be a great idea too.
