## Measurements:

- Basic Black 6 1/2" X 5 1/2"
- Poppy Parade 6" X 4" score/fold at 3 3/4"
- Designer paper 2" X 5 1/4" & 2" X 3 3/4"
- White inside inside is 3 1/2" X 4", plus scrap for greeting die-cut
- Silver or Holographic scrap for wrench die-cut

## Directions:

1. Fold both the Black and Poppy Parade card stock pieces on the score lines. Adhere the Poppy Parade layer to the inside right of the Black card base, so the score line is on the right.
2. Stamp the inside White as you'd like and adhere.
3. Add the designer paper to the Black front flap and the other to the Poppy Parade front flap.
4. Ink your greeting in Black ink and stamp on the White die-cut. Add adhesive to the back of this and press loops of Gray Granite twine to the adhesive. Add to the Black circle punch with Stampin' Dimensionals.
5. Close the card flaps. Add three or four Stampin' Dimensionals on the tools designer paper, off the left flap of the Poppy Parade layer. Add your greeting to these Dimensionals. This give you a flap closure.
6. Finish with the silver wrench die-cut.
