Measurements:

- Card bases 8 1/2" X 5 1/2" score/fold at 4 1/4"
- White front 4" X 5 1/4", inside 3 1/2" X 4 3/4" plus greeting label die-cuts
- In Color prints 3/4" X 5 1/4"
- In Color Glimmer paper for die-cut 2 3/4" X 5"

Directions:

1. Texture the larger White pieces for the front. If desired use a blending brush and coordinating ink to add color to the texture. Use a light hand and add more ink little by little.
2. Adhere the designer paper strip to the left side. Wrap ribbon around and secure the ends in the back. Adhere to the card front.
3. Adhere adhesive sheets to the back of the glimmer paper. Die-cut the large leaves from it. It can help cut glimmer paper if you place the paper face down with the die on top.
4. Peel off the backing on the adhesive sheets and add to the card front at an angle.
5. Stamp your greeting on a piece of White card stock. Die-cut with the greeting label you'd prefer. Sponge the edge with coordinating ink if desired. Add over the Glimmer die-cut with Stampin' Dimensionals.
6. Punch out 3 small white stem/leaves with the Bough punch. Add them so they peek under the greeting.
7. Add in color gems as desired.
8. Stamp the inside White layer and adhere.
