Measurements:

- Blueberry Bushel card base 4 1/4" X 11" score/fold at 5 1/2"
- White front 3 1/2" X 4 3/4", inside 4" X 5 1/4"
- Foil paper 3 3/4" X 5"
- Granny Apple Green greeting 4 1/4" X 3/4"
- Designer paper for explosion 6" square

Directions:

1. Stamp the noisemakers on the front panel as shown leaving a larger gap between the lower two (for the greeting strip).
2. Punch or die-cut some stars of confetti from the center of the foil paper (under the main front image). Set aside.
3. Adhere the stamped and foil images to the card front, either on the angle as shown or evenly layered.
4. Ink the greeting and stamp on the Granny Apple Green card stock. Cut the ends at an angle and add with Stampin' Dimensionals.
5. Fold the designer paper 'explosion' layer as shown in the video and the template. Use thin paper like designer or copy paper; card stock is too thick.
6. Stamp the inside white with a few colors of confetti. Add a greeting, or multiples making sure they're below the explosion insert. Adhere to the inside of the card.
7. Lay the folded explosion insert on the inside of the card and add adhesive to one side. Close the card.
8. Flip it over and add adhesive to the other side. Now your explosion will open with the card.
9. Add some confetti, punched pieces or loose gems inside as a surprise.
