## Measurements:

- card base 8 1/2" X 5 1/2" score/fold at 4 1/4"
- Vanilla 4" X 5 1/4", 2 3/4" X 4" piece for stamped die-cut foliage
- DSP 2 pieces; 3 1/2" X 1" & 3" X 1"
- Calypso Coral 2" X 3 1/4"
- greeting strip 3" X 3/4"
- 

## Directions:

1. Texture the large Vanilla layer & adhere to the card front.
2. Stamp the foliage image on the Vanilla CS. Die-cut; adhere to the Calypso Coral layer.
3. Adhere the two DSP strips on the bottom of the card front; about 3/4" from the bottom.  
Adhere the layered foliage piece over them using Stampin' Dimensionals.
4. Stamp the greeting on a strip of Vanilla CS. Punch the edges with the Happy Labels Pick-a-Punch. Sponge the edges with Coral ink and add to the card.
5. Finish with gems.
