## Measurements:

- card base 8 1/2" X 5 1/2" score at 4"
- DSP 3 13/16th (or 3 3/4") wide X 4 1/8" long - cut in half on the diagonal, lower strip 3 1/5/16th X 3/4"
- Navy layers 4" wide X 4 1/4" cut in half on the diagonal, lower strip is 15/16" X 4"
- inside White is 3 3/4" X 4 7/8"

## Directions:

1. Once you cut the angled pieces in half; adhere them together. Adhere the lower strip layers first. Then add the angled half above it. Now you can make a cut from the upper score line down to the angled point on the lower right. For me it was 1 1/8" from the bottom right corner.
2. Adhere the inside angled pieces.
3. To get the inside White cut correctly, lay it on the inside. Make a pencil mark where you need to cut the angle. Cut, stamp & adhere.
4. Stamp the greeting on the die-cut. Add to the card along with two leaf die-cuts.
5. Add a blue gem.
