## Measurements:

- card base 11" X 4 1/4"; score at 1 1/2", 3", 5 1/2", 7 1/2" & 9 1/2"
- DSP 1 5/8" X 3 7/8" X 2, side is 1 1/8" X 3 7/8"
- card stock layers 1 3/4" X 4" X 2, side is 1 1/4" X 4"
- Back center panel 1 3/4" X 4"

## Directions:

1. Fold card on score lines. The center 3 score lines will be mountain fold and the outer two will be valley fold. Now fold the card in half. You can place the side panel on the left side or the right side.
2. Adhere the DSP and CS panels together and add to the card front.
3. Stamp the center back panel and adhere. I cut the large leaf die-cut apart to add the outer panels on the back side.
4. Stamp the main image on the Vanilla die-cut. Sponge the edge. Color with Blends markers or a medium of your choice.
5. Cut either two strips of CS (about 2" X 1/2") or small circle punches. Score & fold either one in half and adhere the halves to the score line where you'll attach the large die-cut. Please watch the video to see how this is done.
