Measurements:

- cards base 7 1/4" X 5 1/2" score at 1 1/2" & 3"
- another piece to match card base 7 1/4" X 4 1/2" score on the long side at 1 1/2" & 3"; then cut into 1 1/2" wide strips
- DSP - three pieces at 4" X 1 1/4" and 6 1 1/4" squares
- optional back layer 4" X 5 1/4"
- optional die-cuts for front

Directions:

1. Fold main card base on the score lines. Adhere DSP strips and squares to the three long strips - between the score lines.
2. Adhere the long section of each strip to the left front flap of the card base. I do the top & bottom pieces first; and then the middle last.
3. Now adhere the squares (other end of the strips) on the far right to the inside of the card base. Close the card as you adhere these strips so each piece is even on the card base.
4. Stamp the back or add another layer for stamping.
5. Add assorted dies, greetings or layers to the front.
6. Finish with embellishments.
