Measurements:

- Cantaloupe card base 4 1/4" X 5 1/2"
- Pool Party 2-tones CS 12" X 5 1/4" score at 4" & 8"
- White greeting die-cut, scraps of DSP for balloons and strip under greeting

Directions:

1. To create the diagonal cut make a mark at the left end at 2 1/2". Now cut from that mark up to the 8" score line.
2. Die-cut 3 balloons from DSP in different sizes. Then die-cut one more middle one as you'll see it from the inside.
3. Fold the long piece on the score lines. Stamp the stars or another image repeatedly in the center inside section using Pool Party ink. Stamp the inside greeting on the far lower right corner. Adhere this piece to the Cantaloupe CS.
4. Stamp the greeting on the White die-cut using Crisp Cantaloupe ink. Add a strip of DSP under it to add a pop of color. Adhere with Stampin' Dimensionals.
5. Add the inside largest balloon first, adding it as high as you can. Close the card and position the center balloon so you can still see the inside one. Adhere. Add another balloon to the inside behind that middle balloon.
6. Finish with the front balloon. I did not use Dimensionals on any balloons because you'll be adding the balloon strings next, using liquid glue.
7. Finish with colorful dots scattered around the front balloon. Add a White 'comma' die-cut on the largest balloon, or any of them.
8. Add Wink of Stella to the patterned paper if desired.
