Measurements:

- card base 5 1/2" X 8 1/2" scored at 4 1/4"
- Yellow layer 5" X 3 3/4"
- White for front 3 3/4" X 5", inside 3 1/2" X 4 3/4", scrap for greeting die-cut

Directions:

1. Use Blending Brushes to add splotched of color all over the larger White layer. Texture this with the embossing folder placing it on the raised side (opposite of the side with the SU label on the front). **Center it so you get the flower in the correct direction**. **When removing it hold this layer in place on the folder.**
2. With the folder open, add Black ink (water-based like Memento) onto the opposite side (with the SU label on). Rub this ink pad over the folder making sure you cover a large enough area to cover the card stock layer. *if it isn't dark enough, repeat step 2.
3. Remover from the folder and run water over the folder to remove the ink. Let dry. Do this before repeating these steps for another card.
4. Adhere this colored/textured layer to the Yellow CS. Wrap ribbon around the lower edge; securing the ends in the back. Adhere to the card base.
5. Add clear Wink of Stella to the main flower.
6. Stamp the greeting on the White label. Add with Stampin' Dimensionals.
7. Stamp the inside as desired; adhere.
